

Get your team ready to compete in the 2007 Jaycee Championship Series. This fun program is designed to help you increase your presence in your community. Use this in combination with the 2007 Blue Chip Program to achieve leadership excellence! Below is the scoring system. All points will be accumulated monthly. The Top 25 in each group will be recognized for their hard work!

STATE

- 1. Retention Rate.** This category is determined by taking the total number of renewed members divided by the total number of members due. That figure is then multiplied by 100 to get the category score.
- 2. New Member Add Percentage.** To get this score, take the total number of new members divided by the total number of members due. That figure is then multiplied by 100 to get the category score.
- 3. Number of Chapter Percentage.** To get this score, take the current number of chapters divided by the beginning-of-the-year number of chapters. That figure is then multiplied by 100 to get the category score.

REGION/DISTRICT

- 1. Retention Rate.** This category is determined by taking the total number of renewed members divided by the total number of members due. That figure is then multiplied by 100 to get the category score.
- 2. New Member Add Percentage.** To get this score, take the total number of new members divided by the total number of members due. That figure is then multiplied by 100 to get the category score.
- 3. Number of Chapter Percentage.** To get this score, take the current number of chapters divided by the beginning-of-the-year number of chapters. That figure is then multiplied by 100 to get the category score.

CHAPTER

- 1. Retention Rate.** This category is determined by taking the total number of renewed members divided by the total number of members due. That figure is then multiplied by 100 to get the category score.
- 2. New Member Add Percentage.** To get this score, take the total number of new members divided by the total number of members due. That figure is then multiplied by 100 to get the category score.
- 3. Chapter Growth.** The chapter will receive ten (10) points for each external extension completed. The chapter will also receive (10) points for each in-chapter extension completed
